NIKI LIVE COIN SELLER POLICY

1. GUIDE TO OPEN A COIN SELLER ACCOUNT

What is a Coin Seller?

Coin seller is a feature of the Niki Live agency, which allows you to purchase virtual coins directly from the Niki Live platform and sell them to users at a profit margin.

What are the benefits of becoming a Coin seller?

Becoming a Niki Live Coin Seller helps in increasing the overall profit of the agency:

- By selling coins to users, the Niki Live agency earns 10%-21% profit.
- By selling coins to other agents, the agency earns a profit of 7%-14%.

How can you become a Coin seller?

To become a Niki Live Coin Seller, the primary requirement is that you must register as a Niki Live agent and qualify for either of the below requirements:

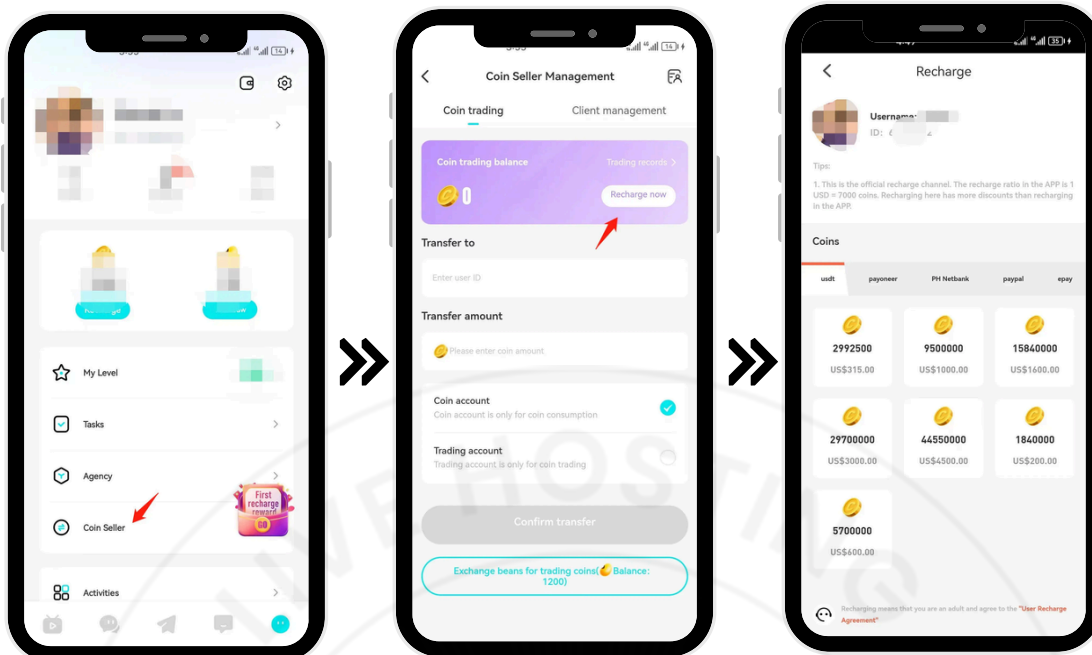

- The agent must earn a total weekly income of more than \$1000 and purchase coins worth \$1000 in a single transaction.
- OR**
- A one-time purchase of coins worth \$1,600 directly from the Niki Live.

You can set the correct tradable coins and mobile phone number so that users can contact you through your mobile phone number and the system will recommend your account to other users. When the user's region is the same as the region of the tradable coin you selected, the user can see you on the coin seller display page.

B. Maintain enough trading coins in the seller's account

A good amount of coins in the account of the Coin-Seller will lead to more opportunities:

- When a coin seller maintains $\geq 1,000,000$ coins - access the customer management function which will recommend you to the coin buyers.
- When a coin seller maintains $\geq 1,000,000$ coins - will get the coin-seller logo.
- More exposure will be recommended when a coin-seller purchases more than 3,000,000 coins in a single transaction and has $\geq 2,000,000$ coins in the coin-trading account.
- The coin seller logo will disappear temporarily when the coin balance is decreased by 1,000,000.

3. Selling trading coins

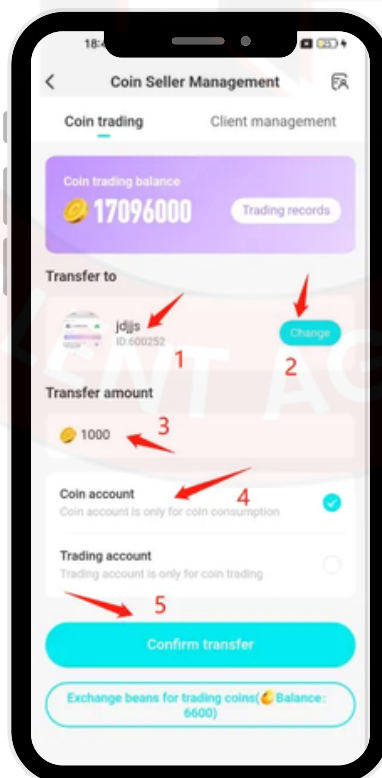

1. Sales targets and price guidance

a. Sales targets: any user who wants to buy coins

b. Price guidance program

| | |
|------------------------|------------------|
| Single purchase amount | The best price |
| $N < 20\$$ | 1\$ = 9300 Coins |
| $N \geq 20\$$ | 1\$ = 9500 Coins |

2. How can you sell your trading coins

On the [Coin Trade] page, select your coin account or trading account, enter ID and the amount of coins to be traded and click on Confirm Transfer.

3. Coin Seller Account Deactivation

The Coin Seller account will be automatically deactivated when the account changes to less than 200,000 coins within 15 consecutive days and the account balance is less than 1,000,000 coins.
